The Magnificent 7 (M7)

“**The Magnificent 7 (M7)** is a group of super-elite private business schools in the USA which recognize each other as peers and are considered to have **the World’s Best 2Year Full-Time MBA Programs**. The **M7** was originally formed decades ago as an informal gathering of the Deans of the top business schools. Its founding purpose was to form an exclusive network of top-tier business schools whereby member institutions could exchange information and best practices twice a year. Over the years, these sessions have evolved to include private meetings between these institutions. Today, the M7 continues to have a profound influence in the global business world. Of the CEOs leading the Fortune 500 companies, 82 CEOs are alumni of an **M7** business school.” - **EverybodyWiki*
